Circe Madeline Miller
2018-04-10 "A bold and subversive retelling of the

goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But

there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science

Judy Moody, Book Quiz

Whiz Megan McDonald 2019-09-10 Books, books, books! Judy's got books on the brain as she prepares for a totally RARE trivia competition. Has reading always been this exciting? Judy Moody is in it to win it. Win the Book Quiz Blowout, that is. Judy and her brother, Stink, are two-fifths of the Virginia Dare Bookworms, and they've been reading up a storm to prepare for Saturday's face-off against second- and third-grade readers from the next town. Judy's trying out all kinds of tactics, from hanging upside down like Pippi Longstocking to teaching herself to speed read The Princess in Black, and Stink has fashioned a cape of book trivia sticky

notes to help him remember all the penguins in Mr. Popper's Penguins. But when Judy, Stink, and their fellow teammates discover the other group has a fourth-grader (no lie!), they get a bit nervous. Are the Bookworms up to the challenge?

Brainiac Ken Jennings
2006-09-12 NATIONAL BESTSELLER • A witty, charming, and engaging dive into trivia's colorful history, from America's highest-earning game show contestant of all time
"Insightful, informative, and written with a strong dose of humor and humility. . . . I

loved this book."—Will Shortz, crossword editor, The New York Times
Ken Jennings is trivia's undisputed king—and as he traces his rise from anonymous computer programmer to nerd folk icon, he explores his newly conquered kingdom: the world of trivia itself. Trivia, he has found, is centuries older than his childhood obsession with it. Whisking us from the coffeehouses of seventeenth-century London to the Internet age, Jennings chronicles the ups and downs of the trivia fad: the quiz book explosion of the Jazz Age; the rise, fall, and rise again of TV quiz shows; the nostalgic campus trivia of the 1960s; and the 1980s, when Trivial Pursuit® again made it fashionable to be a know-it-all. Jennings also investigates the shadowy demimonde of today's trivia subculture, guiding us on a tour of trivia across America. He goes head-to-head with the blowhards and diehards of the college quiz bowl.

circuit, the slightly soused faithful of the Boston pub trivia scene, and the raucous participants in the annual Q&A marathon in Stevens Point, Wisconsin, "The World's Largest Trivia Contest." And, of course, he takes us behind the scenes of his improbable 75-game run on Jeopardy! But above all, Brainiac is a love letter to the useless fact. (Who knew that there's a crater on Venus named after Laura Ingalls Wilder? Ken Jennings, that's who.) Engaging and erudite, Brainiac is an irresistible celebration of nostalgia, curiosity, and geeky obsession—in a word, trivia.

The Origins of Heartbreak

Cara Malone 2017-10-15

Alex McHenry's world stood still the day her father passed. She was 19, studying to be an art teacher, and living happily like any other college student. Then abruptly, her life was reduced to funeral arrangements, depression, therapy, and the

responsibility of caring for her mother, who retreated to the couch to take solace in the artificially cheerful hosts on the Home Shopping Network. After more than a year of living frozen in the moment of her father's death, Alex decides to take the first steps out of her grief. She enrolls in a paramedic program and during one of her first classes, she meets Megan Callahan, a pretty but aloof medical student who comes crashing into her life at the most unexpected moment. It's not long before Alex discovers that Megan has her own skeletons in the proverbial closet, and when a bacterial outbreak forces them together, they must both decide whether to confront their demons together, or continue to live in limbo. Can Alex and Megan work together to mend their broken hearts? Or will they turn away in fear?

The Losers Club Andrew Clements 2017-08-01 The beloved New York Times bestselling author of the modern classic Frindle celebrates books and the joy of reading with a new school story to love! Sixth grader Alec can't put a good book down. So when Principal Vance lays down the law—pay attention in class, or else—Alec takes action. He can't lose all his reading time, so he starts a club. A club he intends to be the only member of. After all, reading isn't a team sport, and no one would want to join something called the Losers Club, right? But as more and more kids find their way to Alec's club—including his ex-friend turned bully and the girl Alec is maybe starting to like—Alec notices something. Real life might

be messier than his favorite books, but it's just as interesting. With *The Losers Club*, Andrew Clements brings us a new school story that's a love letter to books and to reading and that reminds us that sometimes the best stories are the ones that happen off the page—our own! Ultimate Hollywood Quiz

Daniel Kimo 2021-03-27 Do You Have Hollywood Dreams? Hollywood is responsible for laughs, tears, dramatic moments, deep thought, superhero flicks, car chases, and more consumption of expensive popcorn than anyone would ever have thought possible. Everyone has a film nerd inside them. This book celebrates that, and checks your Hollywood Nerd Quotient, through the hundreds of creative questions that give you clues of different types to guess film names. In the pages of this book, your knowledge of English language films will be tested in the following ways: - Through questions on the titles of films: Oscar winning blockbusters, obscure film school flicks, old films, new movies, traditional films, bold arthouses pieces - they're all represented! - Through hints relating to the

year of release and directors: This book celebrates all that is great about the world's largest film industry, and the directors are an important part of that. - Through lateral thinking puzzles: In addition to the facts given above that will help you guess the movie that I have clued in each puzzle, I have also made sure to give you facts about the title, so that you can guess it through logic and your intelligence alone, even if one movie in ten is super obscure, and you probably have not heard of it. There are also detailed answers available at the end of the book. This book is very accessible - you will find it instructive and enjoyable whether you know the entirety of IMDB back to front, or whether you are a mere novice in the world of Hollywood trivia, and are just getting started on your starry eyed quest for stardom. The large number of questions and diverse question types ensure that

you can spend dozens of hours on this book. It can also be enjoyed either by you individually, or with friends - sharing is caring! The book can also be used as an educational tool, and as an important tool that can help you discover new films that you didn't know existed. This is done by the feature where you can concentrate on a single director's output, or on works from a particular time range. Therefore, you will be entertained, you will feel nostalgia, your mind will get a workout, and you will discover new films, all at once. Lights, Camera, Action!

Ken Jennings's Trivia

Almanac Ken Jennings 2008-01-15 Ken Jennings's Trivia Almanac is the ingeniously organized book where, for a change, the all-time Jeopardy! champ gets to ask the questions—and where every day of the year will give you the chance to test your trivia mettle. For example—February 21: In 1912, on this day, Teddy

Roosevelt coined the political phrase “hat in the ring,” so Ken Jennings fires off a series of “ring” questions. What two NFL quarterbacks have four Super Bowl rings each?* What rings are divided by the Cassini Division?** Also on this date, in 1981, the “goth” music scene was born in London, so here’s a quiz on black-clad icons like Darth Vader, Johnny Cash, and Zorro. Do you know the secret identities of Ivanhoe’s Black Knight*** or Men in Black’s Agent M****? In this ultimate book for trivia buffs and other assorted know-it-alls, the 365 entries feature “This Day in History” factoids, trivia quizzes, and questions categorized by Jennings as “Easy,” “Hard,” and “Yeah, Good Luck.” Topics cover every subject under the sun, from paleontology to mixology, sports feats to Bach suites, medieval popes to daytime soaps. This addictive gathering of facts, oddities, devilishly clever quizzes

this book is a compendium of the most interesting and revealing of those queries. The book is divided into chapters that each cover an aspect of Disney history, including Disneyland, Walt Disney World, Disney films, Disney television, and Disney characters. Many of the questions bring up interesting information that has not been published elsewhere, and readers will delight in discovering some of the secrets behind their favorite movies and theme parks. "Did the same actress provide the voice of Maleficent, as well as the voice of Madame Leota, the head in the crystal ball in The Haunted Mansion?" "Who was the first athlete to say 'I'm going to Disneyland!'" Only Dave knows the answers!

TV Nerd Heaven Stella Palmer 2021-03-26 TV is the most exciting medium of entertainment today! TV might have been called the "idiot box", but it is a fact that 70% of the world

spends at least 2 hours per day in front of the TV - whether laughing at a sitcom, being emotionally distraught over a drama, or catching up on important world events. At their best, TV shows are a way to entertain and educate. Whether you are a fan of drama, comedy, sports, or the news, the dominant form of mass media today is here to stay, and is more popular than ever. Even with the move towards streaming, with the advent of giants like Netflix, the existing players in the TV space are adapting to changes, and binge watching is alive and well in 2021. TV has some of the most dedicated and knowledgeable fans on the planet. Even for a show with middling ratings, there are a couple of hundred thousand people online who can tell you the name of every episode, and list the key events in the lives of half a dozen members of the main cast. In this book, you can

AsapSCIENCE Mitchell Moffit 2015-03-17 The instant New York Times bestselling book of entertaining, irreverent, and totally accessible illustrated answers to the scientific “questions you had no idea were bugging you all your life” (Fast Company), from the creators of the wildly popular YouTube channel AsapSCIENCE. Why do we get hung over? What would happen if you stopped sleeping? Is binge-watching TV actually bad for you? Why should I take a power nap? In their first-ever book, Mitchell Moffit and Greg Brown, the geniuses behind the YouTube channel

AsapSCIENCE, explain the true science of how things work in their trademark hilarious and fascinating fashion. Applying the fun, illustrated format of their addictive videos to topics ranging from brain freeze to hiccups to the science of the snooze button, AsapSCIENCE takes the underpinnings of biology, chemistry, physics, and other hard sciences and applies them to everyday life through quirky and relatable examples that will appeal to both science nerds and those who didn't exactly ace chemistry. This is the science that people actually want to learn, shared in a friendly, engaging style. “Science is big fun. The ASAP guys get that, and they'll show you—they'll even draw you a diagram” (Bill Nye, “The Science Guy”). And amid the humor is great information and cocktail conversation fodder, all thoughtfully presented. Whether you're a total newbie or the next Albert
