unprecedented global collaboration, and remarkable tools for facilitating distributed development. The evolution of the Internet enabled an enormous expansion of open development, allowing developers to exchange information and ideas without regard to constraints of space, time, or national boundary. The movement has had widespread impact on education and government, as well as historic cultural and commercial repercussions. Part I discusses key open source applications, platforms, and technologies used in open development. Part II explores social issues ranging from demographics and psychology to legal and economic matters. Part III discusses the Free Software Foundation, open source in the public sector (government and education), and future prospects.

*The Koan* Steven Heine 2000-04-20 Koans are enigmatic spiritual formulas used for religious training in the Zen Buddhist tradition. Arguing that our understanding of the koan tradition has

been severely limited, contributors to this collection examine previously unrecognized factors in the formation of this tradition, and highlight the rich complexity and diversity of koan practice and literature.

*Tam O'Shanter* Robert Burns 1815

**A Tour Through the Pyrenees** Hippolyte Taine 1874

*The Crock of Gold* James Stephens 2015-06-08 This volume contains James Stephen's fantastic fairy tale, "The Crock of Gold". A fusion of philosophy and Irish folklore, "The Crock of Gold" revolves around the events that unfolded when the god Pan appeared on the Emerald Isle. How Angus Og reacts to Pan's arrival, and what happens to the Daughter of Murrachu who becomes caught in the turmoil, are the questions that drive this humorous and charming tale. Complete with magic, fairies and leprechauns, this timeless book would make for a great addition to the family collection, and it is not to be missed by fans of Stephen's work. James

Stephens (1880 - 1950) was an Irish novelist and poet famous for his humorous retellings of Irish myths and fairy tales. Many vintage texts such as this are increasingly scarce and expensive, and it is with this in mind that we are republishing this book now, in an affordable, high-quality, modern edition. It comes complete with a specially commissioned biography of the author.

**The Golden Age of Weird Fiction MEGAPACK**

**TM, Vol. 4: Nictzin Dyalhis** Nictzin Dyalhis  
2015-04-18 Nictzin Wilstone Dyalhis (1873–1942) was an American chemist and short story writer who specialized in the genres of science fiction and fantasy. He wrote as Nictzin Dyalhis. During his lifetime he attained a measure of celebrity as a writer for the pulp fiction magazine *Weird Tales*. This volume collects 6 of his stories from *Weird Tales*, plus one from *Argosy*. Included are: THE SEA-WITCH HEART OF ATLANTAN THE ETERNAL CONFLICT THE RED WITCH THE SAPPHIRE SIREN WHEN THE GREEN STAR WANED FOR WOUNDING—RETALIATION If you enjoy this

ebook, don't forget to search your favorite ebook store for "Wildside Press Megapack" to see more of the 200+ volumes in this series, covering adventure, historical fiction, mysteries, westerns, ghost stories, science fiction -- and much, much more!

*The Anunnaki of Nibiru* Gerald Clark 2013-08-04  
"Zeus and his son Apollo are reigning in the New World Order! How are Obama and the Pope involved? This book will shake the foundations of your belief system. The NWO is tearing down sovereign nations and establishing a universal governing council right before our very eyes. Will the Enkiites thwart Enlil's NWO?--P. [4] of cover.  
*La Misère Du Monde* Pierre Bourdieu 1999 This book can be read like a series of short stories - the story of a steel worker who was laid off after twenty years in the same factory and who now struggles to support his family on unemployment benefits and a part-time job; the story of a trade unionist who finds his goals undermined by the changing nature of work; the story of a family

from Algeria living in a housing estate in the outskirts of Paris whose members have to cope with pervasive, everyday forms of racism; the story of a school teacher confronted with urban violence; and many others as well. Reading these stories enables one to understand these people's lives and the forms of social suffering which are part of them. And the reader will see that this book offers not only a distinctive method for analysing social life, but also another way of practising politics.

The Appearance of Witchcraft Charles Zika  
2013-04-15 Shortlisted for the 2008 Katharine Briggs Award. For centuries the witch has been a powerful figure in the European imagination; but the creation of this figure has been hidden from our view. Charles Zika's groundbreaking study investigates how the visual image of the witch was created in late fifteenth- and sixteenth-century Europe. He charts the development of the witch as a new visual subject, showing how the traditional imagery of magic and sorcery of

medieval Europe was transformed into the sensationalist depictions of witches in the pamphlets and prints of the sixteenth century. This book shows how artists and printers across the period developed key visual codes for witchcraft, such as the cauldron and the riding of animals. It demonstrates how influential these were in creating a new iconography for representing witchcraft incorporating themes such as the power of female sexuality, male fantasy, moral reform, divine providence and punishment, the superstitions of non-Christian peoples and the cannibalism of the new world. Lavishly illustrated and encompassing in its approach, The Appearance of Witchcraft is the first systematic study of the visual representation of witchcraft in the later fifteenth and sixteenth centuries. It will give the reader a unique insight into how the image of the witch evolved in the early modern world.

Disgrace J. M. Coetzee 2017-01-03 J.M. Coetzee's latest novel, The Schooldays of Jesus, is now

available from Viking. Late Essays: 2006-2016 will be available January 2018. Set in post-apartheid South Africa, J. M. Coetzee's searing novel tells the story of David Lurie, a twice divorced, 52-year-old professor of communications and Romantic Poetry at Cape Technical University. Lurie believes he has created a comfortable, if somewhat passionless, life for himself. He lives within his financial and emotional means. Though his position at the university has been reduced, he teaches his classes dutifully; and while age has diminished his attractiveness, weekly visits to a prostitute satisfy his sexual needs. He considers himself happy. But when Lurie seduces one of his students, he sets in motion a chain of events that will shatter his complacency and leave him utterly disgraced. Lurie pursues his relationship with the young Melanie—whom he describes as having hips “as slim as a twelve-year-old’s”—obsessively and narcissistically, ignoring, on one occasion, her wish not to have sex. When

Melanie and her father lodge a complaint against him, Lurie is brought before an academic committee where he admits he is guilty of all the charges but refuses to express any repentance for his acts. In the furor of the scandal, jeered at by students, threatened by Melanie's boyfriend, ridiculed by his ex-wife, Lurie is forced to resign and flees Cape Town for his daughter Lucy's smallholding in the country. There he struggles to rekindle his relationship with Lucy and to understand the changing relations of blacks and whites in the new South Africa. But when three black strangers appear at their house asking to make a phone call, a harrowing afternoon of violence follows which leaves both of them badly shaken and further estranged from one another. After a brief return to Cape Town, where Lurie discovers his home has also been vandalized, he decides to stay on with his daughter, who is pregnant with the child of one of her attackers. Now thoroughly humiliated, Lurie devotes himself to volunteering at the animal clinic, where he

helps put down diseased and unwanted dogs. It is here, Coetzee seems to suggest, that Lurie gains a redeeming sense of compassion absent from his life up to this point. Written with the austere clarity that has made J. M. Coetzee the winner of two Booker Prizes, *Disgrace* explores the downfall of one man and dramatizes, with unforgettable, at times almost unbearable, vividness the plight of a country caught in the chaotic aftermath of centuries of racial oppression.

Marx's Ecology John Bellamy Foster 2000-03-01 Progress requires the conquest of nature. Or does it? This startling new account overturns conventional interpretations of Marx and in the process outlines a more rational approach to the current environmental crisis. Marx, it is often assumed, cared only about industrial growth and the development of economic forces. John Bellamy Foster examines Marx's neglected writings on capitalist agriculture and soil ecology, philosophical naturalism, and evolutionary

theory. He shows that Marx, known as a powerful critic of capitalist society, was also deeply concerned with the changing human relationship to nature. Marx's *Ecology* covers many other thinkers, including Epicurus, Charles Darwin, Thomas Malthus, Ludwig Feuerbach, P. J. Proudhon, and William Paley. By reconstructing a materialist conception of nature and society, Marx's *Ecology* challenges the spiritualism prevalent in the modern Green movement, pointing toward a method that offers more lasting and sustainable solutions to the ecological crisis.

**The Voice in Cinema** Michel Chion 1999 Chion analyzes imaginative uses of the human voice by directors like Lang, Hitchcock, Ophuls, Duras, and de Palma.

**All that is Solid Melts Into Air** Marshall Berman 1983 The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly

integrated in this account.

**Raising the Devil** Bill Ellis 2021-05-11 Raising the Devil reveals how the Christian Pentecostal movement, right-wing conspiracy theories, and an opportunistic media turned grassroots folk traditions into the Satanism scare of the 1980s. During the mid-twentieth century, devil worship was seen as merely an isolated practice of medieval times. But by the early 1980s, many influential experts in clinical medicine and in law enforcement were proclaiming that satanic cults were widespread and dangerous. By examining the broader context for alleged "cult" activity, Bill Ellis demonstrates how the image of contemporary Satanism emerged during the 1970s. Blaming a wide range of mental and physical illnesses on in-dwelling demons, a faction of the Pentecostal movement became convinced that their gifts of the spirit were being opposed by satanic activities. They attributed these activities to a "cult" that was the evil twin of true Christianity. In some of the cases Ellis

considers, common folk beliefs and rituals were misunderstood as evidence of devil worship. In others, narratives and rituals themselves were used to combat satanic forces. As the media found such stories more and more attractive, any activity with even remotely occult overtones was demonized in order to fit a model of absolute good confronting evil. Ellis's wide-ranging investigation covers ouija boards, cattle mutilation, graveyard desecration, and "diabolical medicine"—the psychiatric community's version of exorcism. He offers a balanced view of contentious issues such as demonic possession, satanic ritual abuse, and the testimonies of confessing "ex-Satanists." A trained folklorist, Ellis seeks to navigate a middle road in this dialog, and his insights into informal religious traditions clarify how the image of Satanism both explained and created deviant behavior.

**Texas Whitewater** Stephen H. Daniel  
2004-09-07 When paddlers think of whitewater, they rarely think of Texas. But author Steve Daniel has spent years kayaking both recognized and little-known streams and now provides a whitewater guide for those who seek adventure in the Lone Star state. In Texas Whitewater Daniel describes more than seventy whitewater rivers and creeks ranging from multi-day stretches to play spots for surfing or practicing squirt moves on eddy lines. Each description includes a map and an overview of the location, gradient, drainage, and difficulty of the run. Eighty-five eye-catching photographs highlight whitewater features and showcase some of the state's best boaters at play. Daniel also provides information on access, legal navigability, and safety issues. The guide is arranged according to river drainages: Trinity, Brazos, Colorado, Guadalupe-San Antonio-Nueces, and Rio Grande. Drawing on his experiences and that of other

whitewater enthusiasts, Daniel offers a detailed and entertaining account of rivers and creeks with the greatest prospects for whitewater, encouraging paddlers to lesser-known runs. He includes tips on obtaining information on water levels via the Internet and stream flow data locations. Also included is the first published legal summary on the navigability of state waterways, prepared by Texas Assistant Attorney General Joe Riddell. Well-written and informative, Texas Whitewater is sure to become the "bible" for paddlers and for those coming to visit and explore" the state.

**Out of the Devil's Cauldron** John Ramirez 2012  
Have you ever wondered if Satan is real? In his book Out of the Devil's Caldron: A Journey from Darkness to Light, John Ramirez tells the story of how he was trained to be the third-ranked high priest of a satanic cult in New York City-casting powerful witchcraft spells and controlling entire

spiritual regions. But what started as a long spiral into the underworld ended in a miraculous encounter with Jesus Christ that changed the course of his life. Let John Ramirez walk you through the dark alleys of this world as he uncovers the hidden secrets of darkness through his powerful testimony. People from all ethnic backgrounds dabble in the occult and fall victim to this satanic underworld, never seeing the way out. John Ramirez is one in a million who made it out. John Ramirez is a sought-out speaker by many who want to hear of his involvement in the highest levels of the occult and how he got out. He speaks at churches, schools, rallies, and conferences-both secular and Christian-and has been a featured guest on TV and radio programs. He can be reached at [JohnRamirez@org](mailto:JohnRamirez@org).

*Tables of the Law & The Adoration of the Magi*

William Butler Yeats 1897

*The Book of Hallowe'en* Ruth Edna Kelley 1919

Gargantua and Pantagruel, Book 4 (Illustrated

Edition) (Dodo Press) Francois Rabelais 2008-04  
Francois Rabelais (1494-1553) was a major French Renaissance writer, doctor and humanist. He is regarded as an avant-garde writer of fantasy, satire, the grotesque, dirty jokes and bawdy songs. As a doctor, he used his spare time to write and publish humorous pamphlets which were critical of established authority and stressed his own perception of individual liberty. His revolutionary works, although satirical, revealed an astute observer of the social and political events unfolding during the first half of the sixteenth century. Using the pseudonym Alcofribas Nasier, he published his first book, *Pantagruel*, that would be the start of his *Gargantua* series. *Gargantua and Pantagruel* tells the story of two giants - a father, Gargantua, and his son, Pantagruel - and their adventures, written in an amusing, extravagant, and satirical vein. His use of his native tongue was astoundingly original, lively, and creative. He introduced dozens of Greek, Latin, and Italian

loan-words and direct translations of Greek and Latin compound words and idioms into French. He has influenced many modern writers and scholars. Aleister Crowley's writings heavily borrow from Rabelais themes.

*The City of God* Saint Augustine (of Hippo) 2012  
Along with his *Confessions*, *The City of God* is undoubtedly St. Augustine's most influential work. This long-awaited translation by William Babcock is published in two volumes. For all those who are interested in the greatest classics of Christian antiquity, *The City of God* is indispensable. Books 1-10 contain Augustine's critique of the Roman religious, political, and intellectual tradition and prepare the way for the great vision of the two cities that he sets out in Books 11-22. Book jacket.

“What the future fortunes of [Gramsci’s] writings will be, we cannot know. However, his permanence is already sufficiently sure, and justifies the historical study of his international reception. The present collection of studies is an indispensable foundation for this.” —Eric Hobsbawm, from the preface Antonio Gramsci is a giant of Marxian thought and one of the world's greatest cultural critics. Antonio A. Santucci is perhaps the world's preeminent Gramsci scholar. Monthly Review Press is proud to publish, for the

first time in English, Santucci’s masterful intellectual biography of the great Sardinian scholar and revolutionary. Gramscian terms such as “civil society” and “hegemony” are much used in everyday political discourse. Santucci warns us, however, that these words have been appropriated by both radicals and conservatives for contemporary and often self-serving ends that often have nothing to do with Gramsci’s purposes in developing them. Rather what we must do, and what Santucci illustrates time and again in his dissection of Gramsci’s writings, is absorb Gramsci’s methods. These can be summed up as the suspicion of “grand explanatory schemes,” the unity of theory and practice, and a focus on the details of everyday life. With respect to the last of these, Joseph Buttigieg says in his Nota: “Gramsci did not set out to explain historical reality armed with some full-fledged concept, such as hegemony; rather, he examined the minutiae of concrete social, economic, cultural, and political relations as they

are lived in by individuals in their specific historical circumstances and, gradually, he acquired an increasingly complex understanding of how hegemony operates in many diverse ways and under many aspects within the capillaries of society." The rigor of Santucci's examination of Gramsci's life and work matches that of the seminal thought of the master himself. Readers will be enlightened and inspired by every page.

### **The Seventh Day Sabbath, a Perpetual Sign**

Joseph Bates 2009-03-01 First published 1846, revised 1847. Author was the founder of Sabbatarian Adventism which evolved into the Seventh-Day Adventist Church.

Speaking into the Air John Durham Peters 2012-04-26 Communication plays a vital and unique role in society-often blamed for problems when it breaks down and at the same time heralded as a panacea for human relations. A sweeping history of communication, Speaking Into the Air illuminates our expectations of communication as both historically specific and a

fundamental knot in Western thought. "This is a most interesting and thought-provoking book. . . . Peters maintains that communication is ultimately unthinkable apart from the task of establishing a kingdom in which people can live together peacefully. Given our condition as mortals, communication remains not primarily a problem of technology, but of power, ethics and art." —Antony Anderson, *New Scientist* "Guaranteed to alter your thinking about communication. . . . Original, erudite, and beautifully written, this book is a gem." —Kirkus Reviews "Peters writes to reclaim the notion of authenticity in a media-saturated world. It's this ultimate concern that renders his book a brave, colorful exploration of the hydra-headed problems presented by a rapid-fire popular culture." —Publishers Weekly What we have here is a failure-to-communicate book. Funny thing is, it communicates beautifully. . . . Speaking Into the Air delivers what superb serious books always do-hours of intellectual challenge as one

absorbs the gradually unfolding vision of an erudite, creative author." —Carlin Romano, Philadelphia Inquirer

**Newton and Newtonianism** J.E. Force  
2006-04-18 Newton's theology, his study of alchemy, the early reception of Newtonianism, & the history of Newtonian scholarship are topics included in the eleven essays that comprise this volume.

Stages of Evil Robert Lima 2005-01-01 "The evil that men do" has been chronicled for thousands of years on the European stage, and perhaps nowhere else is human fear of our own evil more detailed than in its personifications in theater. In Stages of Evil, Robert Lima explores the sociohistorical implications of Christian and pagan representations of evil and the theatrical creativity that occultism has engendered. By examining examples of alchemy, astronomy, demonology, exorcism, fairies, vampires, witchcraft, hauntings, and voodoo in prominent plays, Stages of Evil explores American and

European perceptions of occultism from medieval times to the modern age.

The Criminal Prosecution and Capital Punishment of Animals Edward Payson Evans 1906 Can an Animal Commit a Crime? This pioneering work collects an amazing assemblage of court cases in which animals have been named as defendants-- chickens, rats, field mice, bees, gnats, and (in 34 recorded instances) pigs, among others-- providing insight into such modern issues as animal rights, capital punishment, and social and criminal theory. Evans suggests an intriguing distinction between trials of specific animals or particular crimes, such as the "murder" of an infant by a pig, and trials for larger, catastrophic events, such as plagues and infestations. In the latter case, Evans suggests a parallel to witchcraft. Edward Payson Evans [1831-1917], a historian, linguist and associate of Ralph Waldo Emerson, taught at the University of Michigan before moving to Germany, where he became a specialist in Oriental languages and German

literature. A prolific author, his other Animal-related books are *Animal Symbolism in Art and Literature* and *Animal Symbolism in Ecclesiastical Architecture*, both published in 1887. CONTENTS Introduction 1. Bugs and Beasts before the Law 2. Mediaeval and Modern Penology Appendix Bibliography Index"

Zen Sand Victor Sogen Hori 2003-02-28 Zen Sand is a classic collection of verses aimed at aiding practitioners of kôan meditation to negotiate the difficult relationship between insight and language. As such it represents a major contribution to both Western Zen practice and English-language Zen scholarship. In Japan the traditional Rinzai Zen kôan curriculum includes the use of jakugo, or "capping phrases." Once a monk has successfully replied to a kôan, the Zen master orders the search for a classical verse to express the monk's insight into the kôan. Special collections of these jakugo were compiled as handbooks to aid in that search. Until now, Zen students in the West, lacking this important

resource, have been severely limited in carrying out this practice. Zen Sand combines and translates two standard jakugo handbooks and opens the way for incorporating this important tradition fully into Western Zen practice. For the scholar, Zen Sand provides a detailed description of the jakugo practice and its place in the overall kôan curriculum, as well as a brief history of the Zen phrase book. This volume also contributes to the understanding of East Asian culture in a broader sense.

Modern Spiritualism Frank Podmore 2011-01-20 The first comprehensive history of Spiritualism by one of the foremost Victorian psychic researchers: an indispensable source on the movement.

Prima, Media, & Ultima: The First, Middle, & Last Things, In Three Treatises: Wherein is Set Forth, I. The Doctrine of Regeneration, Or the New Birth. II. The Practice of Sanctification, in the Means, Duties, Ordinances, Both Private and Publike, for Continuance and Encrease of a Godly Life. III.

Certain Meditations of Mans Misery, in His Life, Death, Judgement, and Execu- Tion: As Also of Gods Mercy, in Our Redemption, and Salvation  
Isaac Ambrose 1674 Prima, the first things. 1674 -- The doctrine and directions, but more especially, the practice and behaviour of a man in the act of the new birth. 1673 -- Media, the middle things. 1674 -- Ultima, the last things.
