Paper Aeroplanes Dawn O'Porter 2013-05-02 I just can't imagine me without you... It's the mid-1990s, and fifteen year-old Guernsey schoolgirls, Renée and Flo, are not really meant to be friends. Thoughtful, introspective and studious Flo couldn't be more

different to ambitious, extroverted and sexually curious Renée. But Renée and Flo are united by loneliness and their dysfunctional families, and an intense bond is formed. Although there are obstacles to their friendship (namely Flo's jealous ex-best friend and Renée's growing infatuation with Flo's brother), fifteen is an age where anything can happen, where life stretches out before you, and when every betrayal feels like the end of the world. For Renée and Flo it is the time of their lives. With graphic content and some scenes of a sexual nature, PAPER AEROPLANES is a gritty, poignant, often laugh-out-loud funny and powerful novel. It is an unforgettable snapshot of small-town adolescence and the heart-stopping power of female friendship.

Mum's List St John Greene
2012-03-01 The heartbreaking and heartwarming true story of a mother dying of a cancer and the special gift she left for her husband and two young sons - it'll have you crying and laughing equally. Now a major film starring Rafe Spall and Emilia Fox, which the Guardian called 'Heartfelt, sweet and desperately sad'. 'Always kiss the boys goodbye and goodnight.' 'Please teach the boys to say what they mean.' 'Mummy loved orange Club biscuits, jam and jelly and lemon curd.' For Kate Greene, nothing was as important as the happiness and well-being of her two little boys, Reef and Finn, and her loving husband, Singe. Even when she fell very ill, they were her only concern. Over her last few days, Kate created Mum's List. With Singe's help, she wrote her thoughts and wishes down,

trying to help the man she loved create the best life for their sons after she was gone. Mum's List encapsulates Kate's passionate nature, her free spirit and even her sense of humour. It became Singe's rock, as he turned to it again and again for strength and inspiration. Slowly, gradually, Singe began to fulfil Kate's requests. This is the heart-warming memoir of how Kate's list has helped Singe and his brave little boys move on and build a new life for themselves, while always keeping her in their hearts. This updated edition contains new material from Singe and behind-the-scenes photos from the film adaptation of the book.

The Words in My Hands

Asphyxia 2021-11-09 Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be "normal," to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political

corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a community, and believing in something better. The Complete Short Stories
Roald Dahl 2013-09-12 The Complete Short Stories of Roald Dahl in the first of two unsettling and sinister volumes. 'They are brutal, these stories, and yet you finish reading each one with a smile, or maybe even a hollow laugh, certainly a shiver of gratification, because the conclusion always seems so right' Charlie Higson, from his introduction. Roald Dahl is one of the most popular writers of the modern age, effortlessly writing for children and adults alike. In this, the first of two volumes chronologically collecting all his published adult short stories, we see how Dahl began by using his experiences in the war to write fiction but quickly turned to his powerful and dark imagination to pen some of the most unsettling and disquieting tales ever written. In 27 stories, written between 1944 and 1953, we encounter such

classic tales as 'Man from the South', featuring a wager with appalling consequences; 'Lamb to the Slaughter', in which a wife murders her husband yet has a novel idea for throwing the police off the scent; and in 'The Sound Machine', the horrific truth about plants is revealed. Enter the sinister, twisted world of Roald Dahl: whether you're young or old, you'll never want to leave. 'Roald Dahl is one of the few writers I know whose work can accurately be described as addictive' Irish Times 'The great magician' Spectator Look out for Volume Two, introduced by Anthony Horowitz Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories

**Let Me Tell You What I
Mean** Joan Didion 2021-01-26
A NEW YORK TIMES
NOTABLE BOOK OF THE
YEAR • NEW YORK TIMES
BEST SELLER • From one of
our most iconic and influential
writers, the award-winning
author of The Year of Magical
Thinking: a timeless collection
of mostly early pieces that
reveal what would become Joan
Didion's subjects, including the
press, politics, California
robber barons, women, and her
own self-doubt. With a forward
by Hilton Als, these twelve

pieces from 1968 to 2000,
never before gathered
together, offer an illuminating
glimpse into the mind and
process of a legendary figure.
They showcase Joan Didion's
incisive reporting, her
empathetic gaze, and her role
as "an articulate witness to the
most stubborn and intractable
truths of our time" (The New
York Times Book Review).
Here, Didion touches on topics
ranging from newspapers ("the
problem is not so much
whether one trusts the news as
to whether one finds it"), to the
fantasy of San Simeon, to not
getting into Stanford. In "Why I
Write," Didion ponders the act
of writing: "I write entirely to
find out what I'm thinking,
what I'm looking at, what I see
and what it means." From her
admiration for Hemingway's
sentences to her
acknowledgment that Martha
Stewart's story is one "that has
historically encouraged women
in this country, even as it has
threatened men," these essays
are acutely and brilliantly
observed. Each piece is classic

2014-06-24 ONE MISTAKE.
ONE BAD NIGHT. ONE TOO
MANY DRINKS. Sarah
Aronson's Head Case is a
powerful and heartbreaking
debut novel about a guy who
had it all...until he drank that
fifth beer and got into the car.
Frank Marder is a head,
paralyzed from the neck down,
and it's his fault. He was
drinking. He was driving. Now
Frank can't walk, he can't
move, he can't feel his skin. He
needs someone to feed him, to
wash him, to move his body.
But if you ask most of the
people who are posting on
www.quadkingonthenet, he
hasn't been adequately
punished. Two people are dead
because of him. Frank should
go to jail. Only "Anonymous"
disagrees.

great book. Use this expert sidekick to dissect these themes in *Looking for Alaska*, while enjoying a detailed analysis of each chapter of the book. If that wasn't enough, we close with potential questions and responses to help you get the conversation started with co-workers, friends, or fellow book club members. This newly discovered gem from the past (2005) has become a must-read, thanks in no small part to the success of Green's 2012 masterpiece: *The Fault in Our Stars*. As many Green fans have already discovered, our sidekick is the ultimate go-to source for understanding the complexities of John Green's tales of teen angst and tragedy. *Looking for Alaska* tells the story of Miles Halter, a 16-year-old with a nondescript life

who is seeking a "Great Perhaps." In his quest, he finds himself at the Culver Creek Boarding School, where his past life of boredom and safety takes a back seat to adventure and sexual experimentation. His trek to the other side of the tracks takes him only a few steps, as he meets Alaska Young just down the hall at school. She is sexy, funny, and everything else that makes teenage boys drool. She is also a self-destructive sort, headed toward the "After" portion of *Looking for Alaska*, where everything comes crashing down. As our sidekick details, the themes of life and death weave their way through the novel, drawing the characters closer together while preparing them for something that will rip them apart.
