All told - over 5,000 relations are mentioned - including a substantial Kinship Report and complete Index. Many of the prominent Mennonite families of Lancaster, Lebanon & Dauphin Counties are represented. This is a wonderful Pennsylvania Dutch genealogy.

**Chocolate by Hershey** Jean Jamieson 2000 Novel units provide teachers with new ways to teach reading, thinking, writing, and the love of literature.

Milton Hershey Simone T. Ribke 2015-02-01 Introduces the life and legacy of the entrepreneur, philanthropist, and founder of Hershey Foods, who built a town around his factory with unique housing for his workers and a school for disadvantaged students.

**Semisweet** Johnny O'Brien 2014-07-03 The Milton Hershey School is the richest and wealthiest K-12 residential school in the world. Its \$12 billion trust fund, financed by sales of the iconic Hershey candy, eclipse that of Cornell, Dartmouth, and Johns Hopkins combined. Even more stunning is that the school for orphans owns The Hershey Company and not the other way around. As the twentieth-century drew to a close, the School's Board of Managers creatively interpreted the Founder's mission and tried to turn the refuge for extremely needy children into more of a middle-class boarding school. The alumni "Homeguys" challenged the Board and, after a decade of legal struggle and national publicity, won the battle to reclaim the soul of the school. Johnny O'Brien, an orphan who lived at the school growing up, helped to lead the successful alumni protest. In a shocking turn of events, he was then selected to become Milton Hershey School's eighth president and tasked with restoring the mission, morale, and character-building culture of "the Home." He would need all his orphan resilience, Princeton and Johns Hopkins wisdom, and his good friends, to transform this unusual and remarkable school. In a riveting and haunting account, O'Brien tells a universal story about the vulnerability of needy children, describes the madness that consumed his beloved brother, explores the cruelty of bullies—both young and old, exposes the corrupting influence of money, and shows how the Milton Hershey School continues its sacred mission of saving thousands of America's neediest children. See the website for the book at semisweetbook.com.

Milton Hershey's Sweet Idea Sharon Katz Cooper 2015-08 Who hasn't tasted a Hershey chocolate bar? Milton Hershey's chocolate is famous around the world, but his chocolate empire didn't happen overnight. Learn the story behind the name as you follow along with Milton's beginnings as a family farmer, his string of failed candy businesses, and his eventual sweet success.

*Ms chocolate/ More Than Chocolate* Geoff Bengé 2017-08-14 Emocionantes historias reales de hombres y mujeres que cambiaron el mundo. Mediante un relato preciso de los hechos y un estilo narrativo absorbente, la colección Vidas con legado registra las vidas extraordinarias de hombres y mujeres fascinantes que alteraron el curso de la humanidad. "Ya hemos hecho más de lo que nos corresponde por ayudarte, pero eres un Hershey, hijo legítimo de Henry el soñador. Nunca te aferrarás a algo el tiempo suficiente como para que dé resultado", dijo su tío Abraham. Milton tragó salvia. Sospechó que su familia Snavely había renunciado a él, pero las palabras eran hirientes. Cuando las barritas Hershey fueron lanzadas al mercado en 1905, pocos conocían el duro trabajo, la dedicación y el sacrificio que precedieron al éxito. Milton nunca si rindió, aprendió de sus errores, pasó toda su vida creando dulces. Y cuando su compañía despegó, empleó su riqueza para cuidar de otros; fundó una ciudad para los trabajadores de Hershey, una escuela para niños necesitados y creó una fundación dedicada a la educación, la cultura y la salud.

Who Was Milton Hershey? Jim Buckley 2013-12-26 A look at Milton Hershey's life details his professional successes, including the founding of the Hershey Chocolate Company, and how he used his wealth to benefit others.

Who Was Milton Bradley? Kirsten Anderson 2016-08-02 Meet the man behind the board games: Milton Bradley. Born in Maine in 1836, Milton Bradley moved with his family to the working-class city of Lowell, Massachusetts, at age 11. His early life consisted of several highs and lows, from graduating high school and attending Harvard to getting laid

off and losing his first wife. These experiences gave Bradley the idea for his first board game: The Checkered Game of Life. He produced and sold Life across the country and it quickly became a national sensation. Working with his company, the Milton Bradley Company, he continued to produce board games, crayons, and kid-friendly school supplies for the rest of his life. He is often credited as the father of board games, and the Milton Bradley Company has created Battleship, Jenga, Yahtzee, Trouble, and many more classic games.

The 7 Golden Rules of Milton Hershey Greg Rothman 2007-06-01 When I left home as a boy to tackle the job of making a living my mother gave me some good advice. She said, 'Milton, you are now going out into the world to make a man of yourself. My best advice to you is -- when you tackle a job stick to it until you have mastered it.' I never have forgotten those words and now when I think of the chocolate business and the way it has grown I think it was my mother's advice that spurred me on and helped me to overcome my obstacles. You can only make money by giving people what they want, and by making good use of your opportunities. When I started making chocolate I didn't follow the policies of those already in the business. If I had, I would never have made a go of it. Instead, I started out with the determination to make a better nickel chocolate bar than any of my competitors made, and I did so. --Milton Hershey

**The Chocolate Trust** Bob Fernandez 2015-01-06 In the early 1900s, chocolate tycoon, Milton Hershey, founded the Hershey School for fatherless poor boys, with the intention of instilling them with Christian values, a hard work ethic, and the promise of a better future. But all was not what it seemed. The Chocolate Trust tells a different story about the school a story of pupils who worked as indentured laborers for the Hershey Company; a Trust that has raked in billions in endowments, though the money is diverted from the intended beneficiaries the children and put into Hersheypark, and a new golf course; and the recent history of the school two decades that have seen scandal, internal strife, politics, sexual abuse, soaring board compensation, and a revolving door of poor youths. Through shrewd reporting and firsthand accounts, Bob Fernandez's riveting book makes it clear that the legacy of the Hershey School has made Hershey, Pennsylvania far from "the sweetest place on earth

*Milton Hershey: Hershey's Chocolate Creator* Joanne Mattern 2015-01-01 In this title, unwrap the life of talented Hershey's chocolate creator, Milton Hershey! Readers will enjoy getting the scoop on this Food Dude, beginning with his childhood near Lancaster, Pennsylvania. Students can follow Hershey's success story from his apprenticeship at Royer's Ice Cream Parlor and Garden to his establishment of the Lancaster Caramel Company. Hershey's discovery of chocolate and determined creation of the Hershey bar also highlighted. Engaging text familiarizes readers with topics of interest including the town of Hershey, Pennsylvania, and the Milton Hershey School. An entertaining sidebar, a helpful timeline, a glossary, and an index, supplement the historical and color photos showcased in this inspiring biography. Aligned to Common Core Standards and correlated to state standards. Checkerboard Library is an imprint of Abdo Publishing, a division of ABDO.

**Milton Hershey** Jane Sutcliffe 2003-09-01 A biography of Milton Hershey, the successful chocolate maker who built a town around his factory with unique housing for his workers and a school for disadvantaged students. *In Chocolate We Trust* Peter Kurie 2018-02-21 In *Chocolate We Trust* takes readers inside modern-day Hershey, Pennsylvania, headquarters of the iconic Hershey brand. A destination for chocolate enthusiasts since the early 1900s, Hershey has transformed from a model industrial town into a multifaceted suburbia powered by philanthropy. At its heart lies the Milton Hershey School Trust, a charitable trust with a mandate to serve "social orphans" and a \$12 billion endowment amassed from Hershey Company profits. The trust is a longstanding source of pride for people who call Hershey home and revere its benevolent capitalist founder—but in recent years it has become a subject of controversy and intrigue. Using interviews, participant observation, and archival research, anthropologist Peter Kurie returns to his hometown to examine the legacy of the Hershey Trust among local residents, company employees, and alumni of the K-12 Milton Hershey School. He arrives just as a scandal erupts that raises questions about the outsized power of the private trust over public life. Kurie draws on diverse voices across the community to show how philanthropy stirs passions and interests well beyond intended beneficiaries. In *Chocolate We Trust* reveals the cultural significance of Hershey as a forerunner to socially conscious corporations and the cult of the entrepreneur-philanthropist. The Hershey story encapsulates the dreams and wishes of today's consumer-citizens: the dream of becoming

personally successful, and the wish that the most affluent among us will serve the common good.

**Food Dudes** ABDO Publishing Company Staff 2011-01-01 Describes the lives of prominent businesspeople and discusses how they became leaders in their industries.

Hershey Mary Davidoff Houts 2000 Hershey, Pennsylvania, went from relative unknown to an American dream come true thanks in large part to the risk taken by its founder, Milton Hershey. In 1903, successful candy-maker Milton Hershey began a new enterprise that many people thought was doomed. He planned to build the biggest chocolate factory in the world, and a town to house its employees. The location he chose, near his birthplace in rural Derry Township, Pennsylvania, was most unlike the traditional urban factory settings of the era. Hershey is the pictorial history of what happened next. Through period photographs, many of them in print for the first time, and engaging narrative, Hershey reveals how the place, the people, the industrial age, and Milton Hershey himself contributed to the success of his scheme. Hershey includes an introduction to the history of Derry Township, tracing it from Milton Hershey's birth in 1857 to his return in the early 1900s. The book follows the intertwining stories of Milton Hershey's life, the growth of his chocolate company, the development of the school for needy boys that he endowed with his entire fortune, and the evolution of his model company town. The transformation of Hershey into a tourist destination and its survival after the death of its founder in 1945 conclude this chronicle of a vision turned into reality.

Milton S. Hershey Katherine B. Shippen 1959

Milton Hershey Roy Bongartz 2017-02-22 Once upon a time, a shy but persistent candy maker named Milton Hershey dreamed of building his own utopia. Here, in this essay by journalist Roy Bongartz, is his remarkable story.

**Milton S. Hershey, His Life** Richard F. Seiverling 1979

**Hershey** Michael D'Antonio 2007-01-09 Examines the life of the head of the chocolate factory empire, describing his fatherless upbringing by a strict Mennonite mother, his failures with two early candy companies, and his construction of the utopian Hershey village.

*Hershey* James D. McMahon, Jr 2015 In 1903, chocolate magnate Milton S. Hershey founded the model town of Hershey, Pennsylvania. Today, the Hershey community remains home to The Hershey Company as well as a number of commercial, educational, and philanthropic institutions that continue to bear the Hershey name.

**Chocolate by Hershey** Betty M Burford 2011-01-01 Tells the life story of world famous candy maker Milton Hershey, describing his Pennsylvania childhood, his early business endeavors, and the inspiration for his Hershey Bar.

*Chocolate and Children* Judy Wolfman 2019-03-01 Milton S. Hershey never went beyond the fourth grade but learned how to make candy and opened his own business at a young age. After several failures, he finally succeeded and made taffy and caramels. When he was introduced to chocolate, he worked hard and discovered how to make milk chocolate. His first Hershey's Milk Chocolate Bar was followed by Hershey's Kisses and other chocolate goodies. He married but had no children. Before she died, his wife, Kitty, encouraged him to build a home and school for orphaned children. He became a millionaire and traveled to many countries and built a large factory in Hershey, Pennsylvania, as well as a complete town, amusement park, zoo, and pavilion. He died at age eighty-eight, leaving a legacy of chocolate and a full life of accomplishments.

**Milton Hershey School** James D. McMahon, Jr. 2009-08-01 Milton Hershey School began as a dream and vision shared by chocolate magnate Milton S. Hershey and his wife, Catherine. Unable to have children of their own, the Hersheys decided to use their wealth to create a home and school for orphaned boys. Established on November 15, 1909, the first students of what was then called the Hershey Industrial School lived and attended class in the Homestead, the rural birthplace of Milton Hershey. Here they were provided with a stable home life and a rigorous combination of agricultural, vocational, and academic learning. Today Milton Hershey School continues the tradition of preparing students to lead productive and fulfilling lives by providing a cost-free, private, coeducational home and school for children from families of low income, limited resources, and social need. Milton Hershey School chronicles the history and traditions of a legacy that continues to serve the needs of the thousands of boys and girls touched by the generosity of Milton and Catherine Hershey every day.

Milton Hershey M.M. Eboch 2008-07-01 Did you know that the man behind Hershey's chocolate used to work in an ice cream parlor? Or that he had

to try over and over again to get his now-famous chocolate to taste as delicious as it does today? Milton Hershey's life wasn't always a bowl of chocolate Kisses. When he was in fourth grade, he even had to drop out of school and work to help his poor family make ends meet. Read all about how the man we know as the famous young chocolatier finally struck it rich -- in money, love, and chocolate!

**Knock! Knock! Where Is There?** Brian Elling 2019-06-25 Another round of sidesplitting jokes based on the New York Times best-selling *Where Is?* series! This hilarious follow-up collection of jokes featuring all the subjects of the ever-popular *Where Is?* series will keep kids laughing right through geography class! There are 300 silly jokes about places like Stonehenge, Easter Island, the Bermuda Triangle, Mount Rushmore, Area 51, and even our Solar System in this all-new collection.

**Milton Hershey** Sarah L. Schuette 2014 "Simple text and photographs present the life of Milton Hershey, founder of the Hershey Company"--

**Milton Hershey** Charnan Simon 1998-08-01 Relates the story of the founder of the Hershey Chocolate Company in Hershey, Pennsylvania, known for his hard work, perseverance, and charity on behalf of young people.

**Who Was Milton Hershey?** James Buckley, Jr. 2013-12-26 Discover the man behind the chocolate bar! Milton Hershey's life was filled with invention and innovation. As a young man, he was not afraid to dream big and work hard. Eventually, he learned the secret to mass-producing milk chocolate and the recipe that gave it a longer, more stable shelf life. He founded a school for those who didn't have access to a good education and an entire town for his employees. Both his chocolate empire and his great personal legacy live on today.

*Milton Hershey and the Chocolate Industry* Katie Kawa 2016-07-15 The Hershey Company has been selling chocolate and candies for more than a century. The story of the candy giant begins with the man who gave it its name: Milton Hershey. Born in rural Pennsylvania, Hershey spent years building a business whose sweet legacy continues to delight us today. Readers will love reading Hershey's life story and discovering his influence on the time in which he lived. Written to support elementary social studies curricula, this biographical title provides historical context to Hershey's life and accomplishments. Historical photographs, a timeline, and primary sources provide a comprehensive look why Hershey is considered a great entrepreneur.

**Invisible Child** Andrea Elliott 2021-10-05 PULITZER PRIZE WINNER • A "vivid and devastating" (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott "From its first indelible pages to its rich and startling conclusion, *Invisible Child* had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths."—Ayad Akhtar, author of *Homeland Elegies* ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In *Invisible Child*, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani's childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City's homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care.

Out on the street, Dasani becomes a fierce fighter "to protect those who I love." When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott's *Invisible Child* reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

*Milton Hershey* Janet Bengé 2012

*Milton Hershey* 2015

*Chocolate Wars* Deborah Cadbury 2010-10-19 With a cast of characters that wouldn't be out of place in a Victorian novel, *Chocolate Wars* tells the story of the great chocolatier dynasties, through the prism of the Cadburys. Chocolate was consumed unrefined and unprocessed as a rather bitter, fatty drink for the wealthy elite until the late 19th century, when the Swiss discovered a way to blend it with milk and unleashed a product that would conquer every market in the world. Thereafter, one of the great global business rivalries unfolded as each chocolate maker attempted to dominate its domestic market and innovate new recipes for chocolate that would set it apart from its rivals. The contest was full of dramatic contradictions: The Cadburys were austere Quakers who found themselves making millions from an indulgent product; Kitty Hershey could hardly have been more flamboyant yet her husband was moved by the Cadburys tradition of philanthropy. Each was a product of their unique time and place yet they shared one thing: they want to make the best chocolate in the world.

*The Impossible Dream* C. Max Lang 2010-01 History of Milton S Hershey, his chocolate factory, trust and the individuals responsible for accumulating surplus funds; legal challenges of transferring funds from a tightly written trust; interactions between a foundation and a university without a medical school; building concepts for research, education, and patient care; and recruitment of faculty, students and staff

*Milton S. Hershey* Katherine B. Shippen 2013-08

*The Emperors of Chocolate* Joel Glenn Brenner 2000-01-04 Examines one of the most bitter rivalries in American business

*The Book of Chocolate* HP Newquist 2017-03-21 Chocolate . . . - Its scientific name means "food of the gods." - The Aztecs mixed it with blood and gave it to sacrificial victims to drink. - The entire town of Hershey, Pennsylvania was built by Milton Hershey to support his chocolate factory. Its streetlights are shaped like chocolate Kisses. - The first men to climb to the top of Mount Everest buried a chocolate bar there as an offering to the gods of the mountain. - Every twenty-four hours, the U.S. chocolate industry goes through eight million pounds of sugar. - Its special flavor is created by a combination of 600 to 1000 different chemical compounds Join science author HP Newquist as he explores chocolate's fascinating history. Along the way you'll meet colorful characters like the feathered-serpent god Quetzalcoatl, who gave chocolate trees to the Aztecs; Henri Nestlé, who invented milk chocolate while trying to save the lives of babies who couldn't nurse; and the quarrelsome Mars family, who split into two warring factions, one selling Milky Way, Snickers, and 3 Musketeers bars, the other Mars Bars and M&M's. From its origin as the sacred, bitter drink of South American rulers to the familiar candy bars sold by today's multimillion dollar businesses, people everywhere have fallen in love with chocolate, the world's favorite flavor.

**Hershey** John F. Halbleib 2005 What if the world had never heard of Steve Bartman? What if Alex Gonzalez had fielded that ground ball cleanly, and turned the pair? What if Grady Little had listened when Pedro told him he was tired, and gone to the bullpen, which had, after all, been extremely effective throughout the post-season. This story is about how the world and the 2003 World Series would have been had those things happened. The stories in this book are a mixture of fact, fiction, fantasy, and fanaticism. Outside of New York and Florida, there was not a lot of sentiment for the Yankees and Marlins to get to the 2003 World Series. Even Fox Sports, Sports Business Journal, ESPN, and every other media in the country were pulling for a Cubs vs. Red Sox World Series.
